In general, on a Scale of 1 to 10, with ten being the most stressful, how stressful was the home you grew up in? Why? Specifically, which developmental period was the most difficult (i.e., early childhood, grade school, preteen, teens, 20's, etc.)? Why? (Once again, do not be brief.)

Describe yourself as a child. What messages did you receive from your parents (or other significant caregivers) about yourself (e.g., "you're special," "you're a burden," "you're not important/loveable," etc.). How did you respond to these messages? Do you think they still impact you today? If so, in what way? If not, why not?
